

Photo Release

I understand that while my camper is at OKamp, there may be at least one photographer and a film crew on site documenting all sessions. This will may a very heavily photographed and recorded experience. I authorize and give full consent to OKamp to photograph, film, and record my camper. I authorize and give full consent to OKamp to copyright or use all photographs, videotapes, or films in which I or my camper appears, or use any written statements that I or my camper makes while I participate in any and all OKamp programs. I further agree that OKamp may use these photographs, videotapes, and statements for any and all exhibitions, public displays, publications, commercials, art and advertising purposes without limitation or reservation. I further give permission and consent that any such photographs may be published and used by OKamp to illustrate and promote the camp experience.

Please note that at the event when there is a photographer present any camper who does not want to be photographed will be given the option of not being shown.

I understand and agree to the terms and statements above.
